Quotation Call Notice No-587, dtd. 16.04.2026.

TERMS AND CONDITIONS FOR SUBMISSION OF QUOTATION FOR THE INSTALLATION OF A NEW FIRE FIGHTING SYSTEM.

1. Vendor Eligibility Criteria

- **Experience:** The bidder must have a minimum of 3 years of experience in the supply, installation, testing, and commissioning (SITC) of fire fighting systems.
- **Registration & Licensing:** Valid contractor license from the state's Fire Services Department, CPWD, or equivalent PWD authority.
- **Certifications:** ISO certification and authorization from the Original Equipment Manufacturer (OEM) for major equipment (e.g., pumps, panels).

2. Scope of Work & Standards

- **Compliance:** All works must strictly comply with the National Building Code (NBC) of India, relevant IS Codes (e.g., IS 3844 for hydrants), and local fire authority norms.
- **SITC:** The scope includes Supply, Installation, Testing, and Commissioning of all components (fire pumps, hydrants, sprinklers, hose reels, fire alarm panels, and extinguishers).
- **Approvals:** The vendor is fully responsible for obtaining NOCs, approvals, and completion certificates from local fire and statutory authorities.

3. Price, Quotation, and Taxes

- **All-Inclusive Rates:** Quoted prices must include the cost of products, materials, labour, transportation, insurance, and all applicable taxes. GST must be quoted and billed separately.
- **Price Validity:** Rates must remain firm, fixed, and valid for a minimum of 90 to 120 days from the date of the quotation opening.
- **Escalation:** No price escalation will be entertained during the execution period.

4. Commercial Terms & Penalties

- **Security Deposit / Performance Guarantee:** Successful bidders will be required to submit a security deposit (typically 5% to 10% of the total contract value) for the duration of the defect liability period.
- **Liquidated Damages:** A penalty clause for delays, usually deducting 0.5% to 1% of the total project cost per week of delay, up to a maximum limit (often 10%).
- **Payment Terms:** Structured in milestones (e.g., 50% on material delivery, 40% on satisfactory installation, and 10% retention upon successful testing, handover, and authority approval).

5. Execution & Warranty

- **Project Completion:** The installation must be completed within the stipulated time frame (e.g., 60 to 90 days) from the date of the work order.
- **Defect Liability / Warranty:** Comprehensive onsite warranty for a minimum of 1 year from the date of final commissioning and handover.
- **Statutory Compliance:** The contractor must comply with labour laws, ESI, and EPF regulations.
