:	<p>Monitoring system:</p> <ol style="list-style-type: none"> 1. The institution has a structured system to monitor outcome of courses, value added courses. 2. IQAC is proactive in innovating curriculum on a regular basis. 3. Faculty performance is evaluated effectively. 4. Student performance is evaluated effectively. 5. Remedial classes for students 6. Faculty and students exchange programme.
6. Overall Analysis: Observation	
i) Institutional Weakness	<ol style="list-style-type: none"> 1. Lack of research orientation in curriculum, 2. Limited space for academic expansion,
iv) Internal Quality Assurance System	

	3. No full-time office for placement – full time faculty is given additional responsibility 4. Routines take over academic work 5. Digital library 6. Internet – 24X7 provisions. 7. Limitation – for inter-disciplinary course 8. Lack of sufficient infrastructure
ii) Institutional Opportunities:	1. To become a university 2. Faculty and student exchange programme. 3. New programmes, choice of electives, dual electives 4. New PG Courses in different subjects 5. Industry institution interface 6. Enhancement of research activities

iii) Institutional Challenges:	1. Coping with Changing policies of the government 2. Competition with private Universities and Colleges, handling modern students in discipline 3. Faculty retention 4. Financing academic development 5. Space for expansion 6. Academic excellence in the line with changing domestic and global employers' demands 7. Providing all types of modern academic facilities to all students from diverse back ground.
--------------------------------	---

Action Taken against the recommendations of the previous audit report:

- Game & Sports activities promoted - State Level Inter-college football tournament was conducted from date 01.11.2022 to 05.11.2022.
- All types of Audits have been conducted by the registered chartered firms on the basis of the approval of Higher Education Department Govt. of Odisha and reports submitted and uploaded on the college website.

The members of the committee visited the departments, assessed their preparation according to the checklist provided by IQAC and made the following recommendations to be carried out immediately for submission of AQARs & SSR.

1. Departmental Profiles are prepared and follow up is continuous.
2. Ensured Mentor-Mentee records updation.
3. Provide learning materials used in class to be uploaded on the LMS 4.
4. Geo-tagged photographs of the various events/facilities available in the departments.
5. Keeping track of scholarship, progression and placement of their students.

Review of the Recommendations and compliance by the college in the last 5 years, the duration of the Assessment are herewith mentioned below (Post accreditation quality initiatives (second and subsequent cycles))

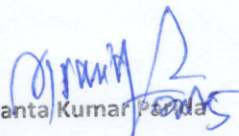

[Handwritten signatures]

- Online application and admission system, Online examination, e-despatch have been implemented.
- With the grant of major funding viz. IDP- World Bank and Infrastructure grants from the State Govt. resources are mobilized and equitable distribution is made to the various teaching departments. A corpus fund is established, as recommended.
- Altogether, around 176 co-curricular activities have been organized by various departments in the last 5 year period.
- Sports facility has been enhanced and a State-level Inter-college football tournament has been organised by the College from 01.11.2022 to 05.11.2022 for the academic session 2022-23. Two gymnasias, one in-door and another open gym especially for campus residents have been set up. Three Ladies' hostels and two Boys' hostels, one quarter for the principal and two quarters for staff are there. Duty doctors visit boys' and Ladies' hostels regularly.
- The extension activities of the college are laudable and has gone an extra mile to build the institute-community relationship by offering various activities like, Witch hunting, Nisha Nivarana, Health & Hygiene, Mushroom cultivation, AIDS awareness, Gender equality, Voters awareness, Awareness of Forest Fire, Disaster Management, Cyber Security and medicinal plant- indigenous knowledge.
- 38 Faculties have been recruited being sponsored by the Higher Education Department, Govt. of Odisha to the institution since the last Peer Team Visit in 2016.
- A comprehensive vision and action plan has been developed and attempts are being made to fulfil each of the goals therein.
- IQAC has been regularly monitoring and conducting various activities related to academics, sports, extension and administration.
- The Institution has a strong mechanism for delegation of power and operational autonomy to all the functionaries to work towards the decentralisation and participatory management. And it has been strictly adhered for the smooth functioning of the management and ensuring a democratic work culture within the institution.
- As the college has been granted Autonomous status in the year of 2011 by UGC and confirmed by the State Govt. in 2015. Since 2015 the college is working in democratic spirit by giving autonomy to different departments for making alternations and changes about 20% of syllabus keeping in view of the local needs and it is also unanimously decided by the meeting of the Board of Studies and Academic Council respectively.
- The Administration in the college has been decentralised by the authority by assigning of several Bursars such as Administrative Bursar, Accounts Bursar, Academic Bursar and Heads of the Depts. There are also various committees such as Finance Committee, Purchase Committee, Construction Committee, Beautification committee, Examinations Committee, Library Committee and Grievances Redressal Committee, Sexual harassment cell to look after the various related issues.
- e-despatch, CAPA (College Accounting Procedure Automation), Bulk messages through Whatsapp Group of students and faculties, SAMS (Student Academic Management System in online mode), Information to students through website karanjiacollege.com have been introduced for smooth management of the administration.

 J.M. Ch

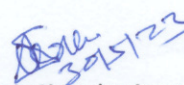

Recommendations for Quality Enhancement of the Institution:

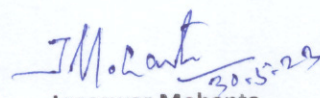

1. Urgent expansion of physical facilities with regard to Academic Extension may be added. After construction of new Academic Block, Central Library and New Administrative Block this problem will be more or less solved.
2. Library Automation is likely to be completed. Digitalization is required and increase of the seating capacity.
3. Construction of Boys' & Girls' hostels is required to be completed.
4. Newly constructed Computer Lab for UG students to be made functional.
5. More UG courses need to be introduced
6. New PG courses in related disciplines need to be introduced.
