

**KARANJIA AUTONOMOUS COLLEGE, KARANJIA,
DIST- MAYURBHANJ, ODISHA
RESEARCH POLICY**

PREAMBLE

Keeping view with its Vision & Mission, KARANJIA AUTONOMOUS COLLEGE, KARANJIA has established the "Research Committee" under the direction of the Principal to promote the research ambience, create and sustain a research culture, motivate staff and students to engage in research activities. The aim is to inspire, guide and coordinate the initiatives of the staff and students towards doctoral research in the science and the humanities, towards major and minor research projects, towards organizing of national and international conferences, towards presentation of research papers and their publication in reputed journals, and similar other research-related matters. The Research Committee encompasses in its ambit all research activities and personnel under KARANJIA AUTONOMOUS COLLEGE, KARANJIA including staff, students and research scholars.

OBJECTIVES OF RESEARCH

1. To create and promote a culture of research among the faculty and staff of KARANJIA AUTONOMOUS COLLEGE, KARANJIA.
2. To identify research areas and specify research topics of academic, practical and socially relevant issues.
3. To organize seminars/conferences/workshops on research topics and training programmes in research methodology.
4. To ensure quality, integrity and ethics in research.
5. To publish research material in appropriate media and to make available such published information to the end users.
6. To facilitate the publication of reports submitted by the research scholars.
7. To establish a right kind of Research Culture through various research initiatives and programmes.
8. To encourage faculty members to publish research papers and undertake various research projects of social and economic importance.
9. To create awareness in society through various research initiatives and by giving due publicity to the socially useful research project.
10. To establish linkage with industries and business organisations to identify potential areas of research, service and other basic research enquiry.
11. To organize various workshops to develop appropriate research skills among the scholars and faculty members.
12. To depute faculty members to various workshops, symposium, seminars and conferences in their respective fields as well as in the areas of contemporary importance.
13. To develop suitable infrastructure in the college to help undertake different research projects.
14. To undertake all other such activities which will inculcate research culture in the college.
