

## **Best Practice**

7. **Title of the Practice:** Introduction of Santali Language as a subject for Promoting the Tribal Language.
8. **Objective of the practice:-** Literature is mostly in the Santali language in oral forms and it passes from generation to generation orally. Attempt is made to convert the oral Literature in to written form.
9. **The context:-**  
It is a tribal dominated area and tribal Literature is not given due importance and therefore efforts are made to preserve and propagate of the said riches of literature.
10. **The Practice:-**  
The tribal student who opt. for Santali language are engaged to explore more and more in the field of Language and Literature.
11. **Evidence of Success :-**  
A host of tribal students can go for post-graduation course in Santali at MSCB university, Baripada.
12. **Problems Encountered and Resources Required:-**  
Required number of books in written form is not available for which the students take help of the village headmen to collect materials. The resources is required to explore and we need funds to procure text books and other study materials to provide the students.

## **Best Practice**

1. **Title of the Practice:** Go School Campaign.
2. **Objective of the practice:-** To promote and encourage the poor and tribal students to go to School and take the advantage of Government provided facilities and to check the dropout rate of this tribal dominated locality.
3. **The context:-**  
It is tribal dominated area, the financial condition and literacy rate of the people is very much poor so it is required to educate them through the Go School Campaign.
4. **The Practice:-**  
The institution provides moral and logistic supports through our faculty members, NSS & YRC units to the parents of the nearby area for sending their pupils to the school.
5. **Evidence of Success :-**  
After introduction of the Go School Campaign the dropout rate has been drastically reduced and there is a visible change.
6. **Problems Encountered and Resources Required:-**  
This area is a tribal dominated and poor and the financial background it is very poor and difficult task for our volunteers to convince to the parents to send their children to schools. More resources are required to mobilise and create awareness among the people of this locality.
